

IBC Executive Committee Profile

Ms. Evangeline Liu

General Manager - Jardine Schindler Cambodia Ltd.

My name is Evangeline Liu and I am an enthusiastic and dedicated women professional, currently the General Manager for Jardine Schindler Cambodia Ltd. After obtaining a Bachelor's degree from the University of Bath, UK, I continued my Master's degree at Hong Kong University of Science and Technology where I spent my exchange semester at Copenhagen Business School. What has helped to cultivate my growth mindset was working experiences overseas for global companies in the oil & gas, accounting & finance, shipping & logistics, and real estate industries. Ever since I joined Schindler, I have taken various roles outside of HK, including Myanmar, Shanghai, and now Cambodia. I was extremely honored to join IBC EXCOM last year and since then I have actively participated in the Education Working Group and various networking activities to share my experience and ideas with other IBC members with my area of expertise in the elevator and escalator industry or broadly speaking the construction industry. I am keen to continue to be an EXCOM member this year and be able to bring more new members to the IBC chamber and contribute to improving its awareness and impact on the local society.
